

## RECITAL INFORMATION

Recitals are an exciting opportunity for your child to perform on stage! Everyone in the studio comes together at the end of every year to put on a show for family and friends. A story recital is performed on odd-numbered years, and a theme recital on even-numbered ones.

### Recital Fees

The fees are used to pay for all the expenses of putting on the formal/informal recital, such as auditorium rental, scenery rental, props, music, and all other expenses involved, including the costume.\*
