Dancescape by Joyce on Broadway is a school for the arts. We offer group instruction in the dance arts: **ballet, pointe, tap, jazz, lyrical, modern, contemporary, musical theater dance, hip hop and acro for dancers.**

Joyce Beck established Dancescape by Joyce Inc in 1993 at 2014 East Broadway in Pearland. Previously the school was known as Joyce's Academy of Dance and was located in Friendswood, Texas, from 1984 through 1993. Many young dancers have come through Dancescape by Joyce and gone on to pursue careers in dance, as well as college degrees in dance and dance education. Ms Joyce has students who have won awards, trophies, and invitations to participate in the Grand National finals of nationally recognized dance competitions. Dancers who have trained at Dancescape have been accepted to major dance companies and are now performing. All of the dancers who train at Dancescape gain poise and self-confidence that will help them to be successful in all their future endeavors. Ms Joyce is a member of Dance Masters of America. After 40 years with South Texas Association of Dance Teachers, Inc. Ms Joyce and her faculty transferred our membership to Texas Dance Master Inc./ Chapter #48. Miss Teen Dance of Texas 2014, Miss Dance of Texas 2015, Mr. Teen Dance of Texas 2016, Miss Dance of Texas 2017, Jr Miss Dance of Texas 2018, Mr. Dance of Texas 2018, ***Dance Masters of America's Mr. Dance of America 2019***, Miss Dance of Texas 2019, Teen Miss Dance of Texas 2020, Teen Miss Dance of Texas 2023, Teen Miss Dance of TXDM 2024 and Mr Dance of TXDM 2024, Miss Dance of TXDM 2025 (4th runner up to Miss Dance of America 2026) are students from Dancescape by Joyce. In 2026 our senior dancer and instructor Jasmyn Gulley was the winner of Distinction in Jazz Dance Young Arts 2026, she also was 8th place at NYCDA Nationals in Senior Outstanding Dancers and a Gold Medal Winner of the ACT-SO Awards.

At Dancescape by Joyce, we have quality instructors and believe that every child should be challenged and encouraged to achieve his/her goals. We have a ballet-based studio with emphasis on classical ballet and positive reinforcement. We want our dancers to have fun while learning in a structured, nurturing and culturally diverse environment.

Dancescape will have two performance opportunities a year for our dancers. These will be in December and June of each year. These are wonderful experiences for your children to perform for you and learn what it is like to be put in the spotlight. These opportunities will help to give them skills that they will use throughout their lives in school, college, and their careers.

DANCE CLOTHES AND EQUIPMENT MUST BE MARKED WITH THE DANCER'S NAME.

We are not responsible for dance equipment left at the studio. Be sure you have everything when you leave.

CORRECT HAIR STYLE: Long hair must be pulled back neatly in a bun. Short hair must be pinned back with clips. No loose hair, pony tails, dog ears, or long pieces of hair in front of the ears will be permitted in class. Loose hair (short or long) bothers the dancer and keeps her from concentrating on her dancing, so please abide by this important rule.

OBSERVATION

Viewing windows are provided for each dance room so that you may observe your student in class, and you are invited to take advantage of this opportunity whenever you can. However, we have found that parents can appreciate their student's progress if they observe a class about once a month. **When observing a class, please resist the urge to open the door and make a comment to your student.** This action is very disruptive to the entire class. If there is a problem, please make arrangements to discuss it with the teacher, privately.

ATTENDANCE

ENCOURAGEMENT: Encourage your child in her/his dancing/martial arts. Impress upon her/him that she/he will be taking lessons for the entire year. Dancing and martial arts require perseverance and are no place for "quitters." After the first year, however, if there is no interest, then it is time to discontinue further lessons.

CLASS TIME: Children must be on time to class. Latecomers are disruptive to the other students. Also please be prompt to pick up your children after class; otherwise the boredom of waiting will be associated with dancing.

**Any student that is left more than 15 minutes after his or her class time without prior arrangements being made with the office staff will be charged a \$10 child-care fee per incident.*

If your child must leave a class early, please tell the teacher before class, if possible, or speak with the office manager so that she can get your child from class.

MAKE-UP CLASSES: Class lessons missed because of **illness only** may be made up. Contact the office manager to arrange make-up classes. **The make-up lesson must be made up within a month of the missed lesson.**

ATTENTION TO ALL NEW DANCE PARENTS

If your child has any special problems, physical or mental, you are required to have a conference with Ms Joyce before registering.

Holiday Student Performance/Open House- This is your dancer's first opportunity of the year to show family and friends what she/he has been taught the first half of the dance year. We will be having a Holiday Open House in December at the studio. At this performance you can observe your dancer warming up and performing a dance routine that your dancer has been taught during the first half of our dance year.

PERFORMANCE

Dear Parents and Students,

*For over 30 years, Dancescape by Joyce has provided students with an exciting performance experience through its June production. The annual staple of the dance school, the **student performance conjures images of childhood and Americana for many. It's a rite of passage** for thousands of children, a chance to shine in front of family and friends that they anticipate with nervous excitement.*

*This production offers our students a professionally directed performance that allows **them to present to their families and friends the results of a year's hard work, dedication, and progress.***

*A big part of the dance training process includes learning through performance. The experience helps build self-esteem and self-assurance and contributes to a sense of confidence. Although performance opportunities can help prepare some students for a possible career in **dance, they also contribute to children's success in non-dance activities.** That on-stage experience can result in better in-school presentations, improved social skills, and strong interview skills for future college or job opportunities. The rehearsal process is a tremendous learning experience as well. It helps the children develop retention skills, and by working with their classmates on a group performance, they learn the positive aspects of working as a team to create the best end result.*

*Dedication to performance commitments is the responsibility of both students and their **parents. We have created this handbook in an effort to clarify what we expect from you in terms of commitment and responsibility to the annual production, the school, and other students and parents.***

Performance Updates

As the season progresses, additional performance information or updates will be **emailed** to each family and posted at the school. Make it your responsibility to keep abreast of this important information. **Please be sure to give us an up-to-date email address! Email us at**

jdancescape@gmail.com so we can confirm your email address ASAP.

Reminder emails will be sent throughout the dance season to help make our performance a success.

It is our goal to make the performance experience organized and exciting for all involved. It's a team effort; students, their parents, the teachers, and the director are key players in the success of the show.

Home Study

To ensure that the students feel confident about their performance, we ask parents and guardians to encourage them to rehearse their performance choreography on a regular basis. An **instructional video** of your child's dance will be available for all classes before the performance. The video will have the music, the steps called out by the instructor, and students and/or teachers demonstrating the routines.

The charge for a video is \$6 per dance. (5-7-year-old combo, 2 dances, \$12). **Digital download.**

Edited music only ...may be purchased for classes also... this will be emailed as a download.

The charge for the music is \$6 for 1 to 3 songs, \$12 for 4 to 7 songs.

Our goal is to make our performance an organized, exciting experience for everyone involved.

Performance Fee

A performance fee is charged each student to pay for the auditorium, scenery, music, and other expenses related to the performance. Attendance and parking at the performance are free.

Please invite anyone you would like to enjoy your child's performance.

This fee is not refundable after October 25, 2026.

Costumes

We spend many hours determining the correct costumes for each class. They are always age-appropriate and of the highest quality possible. Students in 3-4-year combo classes will need one costume; 5-7-year combo students have a two-in-one costume; all other students will need one costume for each subject they train in. Costumes include all accessories (hats, gloves, head pieces, etc.). Tights will also be included. Shoes are not included.

Costume/Performance Fee

In an effort to ensure that costumes are delivered in time for school photographs and are organized for distribution to our students, costume orders are placed during November.

Costume manufacturers do not accept cancellations or offer refunds; therefore, the school does not refund performance/costume fees after the costumes have been ordered.

***Dancescape by Joyce is not responsible if costumes are not received in time for the photo shoot and/or recital due to late payments.**

Alterations

Alterations are sometimes needed after the costumes have been distributed and are the sole responsibility of the student's parent or guardian.

Distribution

Costumes will be distributed when all outstanding balances are **paid in full**. The deadline for all performance balances is April 1, 2027. Costumes will be distributed **April 19-24, 2027** during class times. Class photos will be taken the week of **April 25-May 2, 2027**. **Competition photos will be April 25, 2027.** A schedule of times will be available later.

Withdrawal

No refunds will be made of the costume/ performance fee if a parent or guardian withdraws a child from the school for any reason after costumes have been ordered. **The costume companies do not refund payments for any reason; therefore, we cannot give refunds after October 25, 2025.**

Parent or guardians may pick up purchased costumes at the school during June 2026 and up to 15 days after the performance. Costumes not picked up after 15 days will be donated to charity.

Sizing

Costume measuring is done in October during scheduled class times. Each child will be measured in order to determine his or her proper costume size(s). We add one inch to each measurement to allow for growth.

*There will be a **\$5 charge per performance program** at the performance. If you purchase a 2/3 or full-page ad in our performance program, you will receive one free program per ad purchased. Remember to bring your \$5 dollar bill or pay with Venmo.

This program book is a keepsake to treasure for years to come.

Stafford PAC is requiring us to distribute reserved seating tickets for our performances. This is for security reasons. There will also be security measures taken during our rehearsals and setup. All backstage help and individual class moms will be required to wear a wrist band.

Dancescape by Joyce does not charge for these tickets!

***Remember to bring your tickets to the performance!**

Each family will receive between 8-10 tickets for the performance at no additional charge.

Extra tickets will be available upon request for a minimal fee.
